Company Name

Precision Parts Manufacturing (PPM)

Main Contact

Michael Donovan, CEO

Main Contact E-mail

[MICHAEL DONOVAN E-MAIL]

What Does Your Company Do?

PPM produces precision-engineered metal and 3D-printed components for the automotive industry, serving major manufacturers and emerging EV firms.

Why Did You Join the Chamber?

To connect with industry leaders, advocate for pro-manufacturing policies, and help strengthen the regional supply chain ecosystem.

Who Are You Here to Meet (be specific)?

Automotive manufacturers, logistics managers, and companies exploring advanced production partnerships.

Where Can You Provide Value to Your Fellow Members?

By sharing expertise in manufacturing innovation, process efficiency, and sustainable production, helping other members strengthen their operations.

About Your Company (full)

Founded in 1998, PPM is a trusted manufacturer of high-precision components for the automotive sector. Our facility features advanced CNC machining, fabrication, and additive manufacturing technologies. We pride ourselves on consistent quality, timely delivery, and continuous improvement.

What are Your Business Growth Goals Outside the Chamber?

To secure two new OEM contracts, grow our export capacity, and implement a sustainability program that reduces waste by 15%.

Who Are the Key People in Your Company to Engage with the Chamber (w/Title)?

Michael Donovan - CEO

Lisa Wu - Director of Operations
Raj Patel - Head of Business Development

What Milestones Throughout the Upcoming Year are Important to Your Business?

Completing facility upgrades, increasing production by 20%, and expanding partnerships with electric vehicle manufacturers.

Three Things for a Successful Membership

- #1: Establish two Chamber partnerships leading to long-term contracts.
- #2: Advocate for pro-manufacturing policy within Chamber committees.
- #3: Enhance brand visibility through community participation and sponsorships.
